## Hospital Ministry to the Sick.

Important information for ALL Parishioners!!

Please note, the hospital list, we draw names from is no longer available to the clergy or the volunteers because of the **Privacy Act** which protects the patients' right to decide if they want a visitation or not. **This means** the hospital staff will no longer ask your faith when you are admitted.

There are **2 ways you can help** so we can continue our ministry to the sick:

1. **Notify** the hospital admitting staff that you are Catholic.
2. If for some unknown reason, you are unable to speak for yourself, a family member or friend can notify the hospital or parish office **at any time** during your stay. that you are in the hospital and would like to receive Communion and/or a visit from the Catholic community. The Eucharistic ministers will get that information and ensure that you will be on the RC list.
4. If you enter the hospital on a week-end, please call Gerry Carter directly at 403-526-7455

Thank you!! **PLEASE SPREAD THE WORD!!**

**HOLY COMMUNION TO THE HOMES OR HOSPITAL**

**URGENT MATTER** for Eucharistic Ministers who are taking Holy Communion to individual homes or to Nursing Care Homes. Halina White, program Coordinator and Consultant in charge of Pastoral Care at the Calgary Diocesan office has informed us of protocol in taking Holy Communion from a priest during Mass or from the Tabernacle when Mass is not being celebrated. Anyone, who has been commissioned to take Holy Communion out **must** reverently take the Eucharist **directly to** the parishioner who has requested the Eucharist. *Do not stop for a coffee, or go shopping or take it home with you.* We are called to be obedient to what the church has recommended in respect for and in – the Real Presence of Jesus Christ in the Eucharist. Thank you for cooperating and thank you to everyone who is presently volunteering their time in this ministry.
